Subject: Further information

Please accept this e-mail as a response to factual questions raised during our conference call and in Sam Dubbin's letter of February 9, 2006.

1) The total number of hours worked by Burt Neuborne on the German cases in 2000 is 627.

2) There are no documents, transcripts or writings on conversations referenced in the Dubbin letter of 2/9/06. We do not have any record of when such conversation(s) occurred, only that these comments arose during the innumerable interactions between Mr. Neuborne and the Court.

I believe this satisfies all the requests for information outstanding.
